Weekly Status Report 01 (Week 04)

Blekinge Institute of Technology

PA1456

28/01/2023

by Oliver Bölin

olbo20@student.bth.se

- Report relates to Week (Number): **4**
- How many hours have you worked on the project this week? **11**
- List down the project related activities carried out in this week along with hour(s) spent on each activity.
 - **2 hours on project plan**
 - **4 hours on making the REST api work**
 - **5 hours on making filters and coding**
- What project-related activities have you planned for next week?
 - **Create more filters, searching for usernames, provide more data and not only all the IDs, maybe visualise something**
- Did you face any impediments/challenges that have affected your project-related work? Please list them
 - **The api was very confusing to implement since I have not done this before, rest of it was pretty easy**
- What is your action plan to overcome impediments/challenges?
 - **Code more, research**
