Weekly Status Report 03 (Week 06)

Blekinge Institute of Technology

PA1456

10/02/2023

by Oliver Bölin

olbo20@student.bth.se

- Report relates to Week (Number):**6**
- How many hours have you worked on the project this week?**2**
- List down the project related activities carried out in week this week along with hour(s) spent on each activity.

Finding a solution for getting more than 500-2000 changes with the API

- What project-related activities have you planned for next week?

Fixing API, adding more filters

- Did you face any impediments/challenges that have affected your project-related work? Please list them

Yes, I have focused on other projects since im pretty far ahead and have not put so much time into GPipe

- What is your action plan to overcome impediments/challenges?

Finish other projects so I can put more time into this

- **What project-related activities did you plan but could not carry out?**

Finding a fix for the API
